

Lower your utility bills with
FREE weatherization!

Community Action Weatherization Assistance Program

Community Action's Weatherization Assistance Program helps eligible owners and renters in Lancaster and Saunders Counties save money every month and make their homes more comfortable. Services **may** include any or all of the following:

- Furnace inspection, tune-up, repair, or replacement
- Insulation
- Weather-stripping and caulking
- Door and window repair/replacement
- Assessment/installation of exhaust fans, light bulbs or carbon monoxide detectors
- Whole house air sealing

Weatherization inspectors identify energy-saving improvements that can be provided at **no cost**. Work is completed by local contractors. **Call or email to inquire about an application.**

Who is eligible?

Recipients of any of the following are automatically eligible for weatherization:

- Supplemental Security Income (SSI)
- Aid to Dependent Children (ADC)
- Low Income Energy Assistance Program (LIHEAP)

Households NOT enrolled in one of the above must meet the below income guidelines:

# of members in household	Maximum gross annual income
1	\$31,920
2	\$43,280
3	\$54,640
4	\$66,000
Add \$11,360 for each additional family member.
