

Mission: We empower people living in poverty to reach economic stability.

Community Action's work to fight poverty is grounded in the belief that people living in poverty have the ability to reach their full potential if provided the right opportunities. Our work centers on providing those opportunities to the people of Lancaster and Saunders Counties in four impact areas: Early Childhood Education, Homelessness Prevention, Financial and Family Well-Being, and Hunger Relief and Healthy Food Access.

Early Childhood Education

- Early Head Start (home- and center-based)
 - Head Start (center-based)
 - Foster Grandparent Program

Homelessness Prevention
